FEBRUARY 2012

A Memo from the President

I certainly do not want to jinx things but what great weather we are experiencing!

As we move toward spring allow me to update each of you on some upcoming events. If you have not sampled a meal at Edgewood Station you owe it to yourself to stop by as soon as possible. Look for expanded offers and a Sunday brunch in the near future. Building on a successful 2011, your social committee has raised the bar for 2012. I feel you will be impressed with the offerings which include the usual favorites and at least two outdoor parties as well. Our golf calendar is taking shape as well and will include additional events throughout the season. We need your help selling the advantages of BCC prospective members. We will soon be making an enhanced offer to the displaced Lynwood Golf Club members. We feel this offer will be in all our best interest as we move into 2012.

Thank you for your support and we welcome your comments and opinions.

Len Dillon
Len Dillon
Club President

BCC *DINING ROOM*

Once again, I would like to thank everyone for supporting our new restaurant, Edgewood Station. We are still in the process of creating new menus and special events for your social and dining pleasure.

Please tell all of your friends about our upcoming February specials, especially the Superbowl Party and the Valentine Dinner. Plan now to join us for a St. Patrick's Day Dinner on March 17th! We look forward to serving you!

Justin Altice - Manager

know their phone number and email
address. Thank you!**

From The Pro Shop

Men's Golf Association dues must be paid by March 15, 2012. Please keep in mind that a minimum of 10 members must join the association in order to have the VSGA handicap program in place. This year's dues will remain the same as the previous two years at \$25.00. After you join, you will be able to post scores online at the VSGA website, check and verify your handicap, sign up for tournaments throughout the state, as well as receiving the VA golfer magazine quarterly. **All handicap tournaments must have a verifiable handicap for each contestant.** Please support Bassett Country Club by joining and playing in as many tournaments as you can.

*Sincerely,
Mike Cochran*

From The Course

There have been several complaints from members about people practicing on numbers 3 and 9 greens. I personally noticed this on 12/15/11, being done and players having to wait to hit their shots into the greens. One person had about 12 balls on #9. Also a few people are hitting practice balls into the greens. This time of year, the divots take more than twice as long to heal, so please use the greens for regular play only. Thank you for abiding by this courtesy.

*Thanks,
Mike*
